

PRESIDENT: It would be in order to discuss the amendments that are on the desk that are on the bill at this particular time and then after those are adopted if you want to make a motion to bracket the bill so that it doesn't pass off of Select File, that would be your pleasure. Do you object to taking up these amendments at this time Senator Warner?

SENATOR WARNER: No, not none of them except dealing with the limitation. But if we do any we can do them all so I would just speak against changing limitations at this point. I am perfectly willing to discuss the whole bill.

PRESIDENT: Well lets see what we can do. Lets have the first amendment then to the bill. What do we have? Alright we will hold this because the discussion might be lengthy and we will go back to the movement here of 827, what is the condition on it? Alright Senator Cavanaugh, DO YOU want to handle the E & R amendments here to 827 and then we will move it on if it is possible. Then come back to discuss the amendments on 772.

SENATOR CAVANAUGH: Mr. President I move the adoption of the amendments on 827.

PRESIDENT: You have heard the motion to adopt the E & R amendments now to LB827. All those in favor of adopting those amendments please say aye, those opposed say no. Ayes have it so ordered, the amendments are adopted.

SENATOR CAVANAUGH: I move that LB827 as amended be advanced to E & R for engrossing.

PRESIDENT: Now the motion is to advance LB827 as amended. All those in favor vote aye, those opposed say no. 827 as amended is advanced. Now we come back to 772 on Select File and take the amendments in the order in which they appear on the Clerk's desk.

CLERK: Read Carpenter amendment.

PRESIDENT: Senator Carpenter.

SENATOR CARPENTER: Mr. President, this is a joint effort between Senator Duis and myself, in order to attempt to find some basis of compromise where we can end up with a bill in some form that we can get 30 votes. The one that I have which I will discuss the one that Senator Duis will come after this, now I can simplify this very rapidly. The form is in the past and we started out with 40-60 I think it was then we went to 60-40. Now this bill means 50-50 that is all that it does. It is just that simple. We divide the money 50-50. I move for the adoption of the amendment.

PRESIDENT: Senator Warner.

SENATOR WARNER: Pass.

PRESIDENT: We are speaking on the first Carpenter amendment to LB772 on Select File. Is there need for further discussion of the amendment? Senator Warner.
